**DWICON
GLOBAL
SARANA**

WHO WE ARE

PT. Dwicon Global Sarana as one of Specialist Building Management System Contractor and Specialist HVAC Engineering Company has contributed its participation for development in Indonesia since 2017.

Supported by our programs on energy saving, which are directed to the continuous development of engineering and managerial skills, we also believe **PT. Dwicon Global Sarana** will get special position in the process of development this country.

We are confident, with your trust to our company to participate in development of your projects, will enhance our effort bigger and valuable, and of course, more potential to face bigger challenges in the future.

It is an honor for us that you are willing to spend your valuable time to consider our proposal and if you need further information, it will be a great pleasure for us to provide you the data in more details upon your request.

We look forward to build a pleasant business relationship with your company. We are ready to serve you better, anytime and anywhere. Thank you for your kind attention.

Best regards,
Rio Andi Sapada
CEO
